

To Everyone at 911 Cares →

Thank you so much for the card of sympathy that you sent for the loss of my dear son, Alex. Knowing so many people care helps to ease our grief. We miss him terribly → he was such a wonderful boy. Although faced with adversity, he taught us all how to live life to the fullest and with dignity.

Thank you, friends, for your kindness → Nanette Blom

In moments of sorrow,

it's family and friends

who bring

love and peace

Thank you sincerely.
