"Striving for Excellence"

Our agency recently employed a wonderful young lady, Megan DeSouza. On Tuesday, July 27, 2010, Megan's husband, Nick, was involved in a horrific motorcycle accident while on his way to work. On July 28, 2010, Nick succumbed to his injuries.

Both Megan and Nick were newly hired at their places of employment and neither was covered by health care or life insurance policies. This now leaves Megan with outrageous hospital bills, funeral expenses, a mortgage and everything else to deal with and limited funds. In addition to this, Megan and Nick have a beautiful 18-month old daughter.

Megan's family has set up a Memorial Fund at US Bank. They are asking in lieu of flowers at his service, which is Monday, August 2, donations be made to this account, which will help Megan and her daughter in many ways. The account is listed as Nicholas DeSouza Memorial Fund (account ending in 3155) and can be accessed through any US Bank.
